

MULTI POINT DISPENSE MODULE (MPDM) 8 OUTPUTS

Part No
23399

TECHNICAL DATA

MULTI POINT DISPENSE MODULE (MPDM) 8 OUTPUTS

Each MPDM has connections to control up to eight solenoid valves and is equipped with a key switch with normal operation, emergency over-ride and On/Off functions. Suitable for meter units with flow direction function. 230-240 V AC power supply required

TECHNICAL DATA

Part No	23399
Voltage	230 V AC
Meter	8 pce
Power consumption	1,26 A
H.S. Code	90269000
